

When the bell goes at school...

while I am out playing in the yard.

When the bell goes at school I...

stop what I am
playing!

When the bell goes at school I...

walk back to my
classroom.

When the bell goes at school I...

line up outside
the door!

When the bell goes at school I...

wait for my teacher.

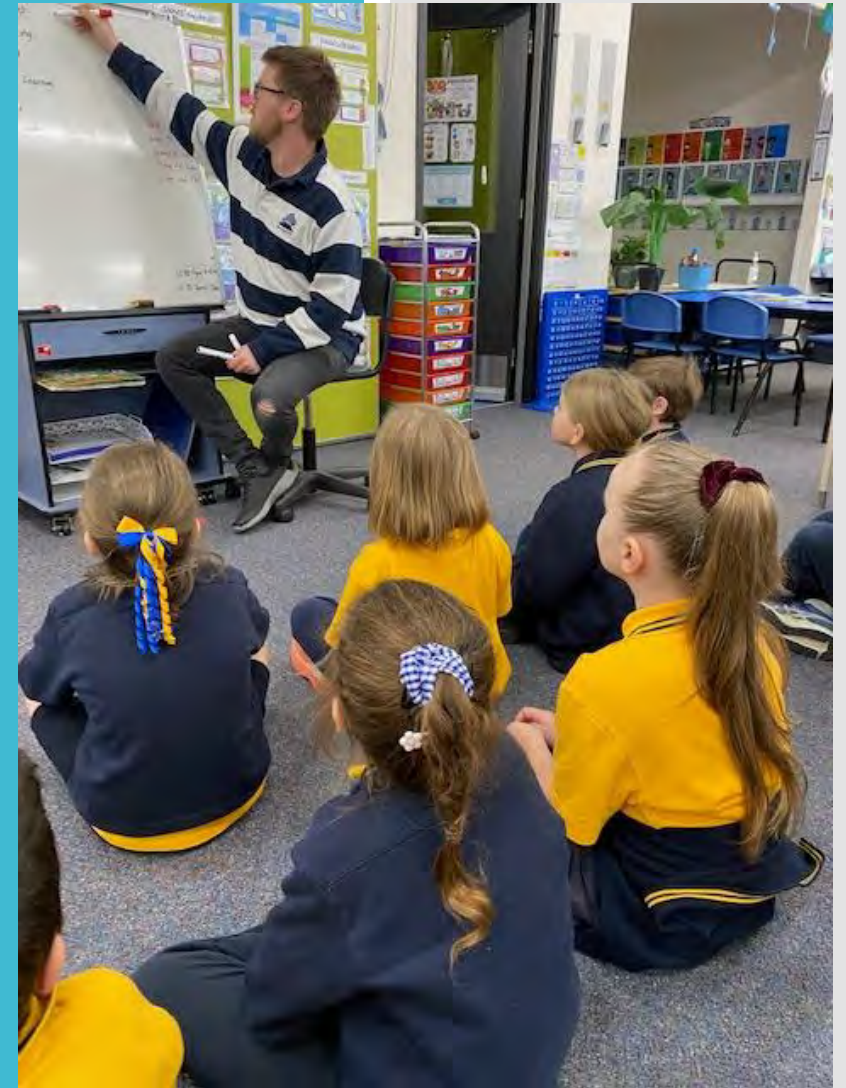

When the bell goes at school I...

walk quietly inside.

When the bell goes at school I...

sit on the floor...

When the bell goes at school I...

cross my legs ready to
listen.

When the bell goes at school ...

I am now ready to learn.

If I need help...

yard duty teachers will
help me.

If I need help...

Playground Mentors
will help me.

If I need help...

other children will
help me.
